LETTER DATED 29 AUGUST 1995 FROM THE CHARGE D'AFFAIRES A.I. OF THE PERMANENT MISSION OF YUGOSLAVIA TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

Upon instructions of my Government, I am writing to inform you of the following.

On 26 August 1995, the Croatian army launched an artillery shell and two mines from an 83 millimetre mortar from the area of Cesmina Glava on the territory of the Federal Republic of Yugoslavia in the area of Gusarska Jama.

There were no casualties and the Yugoslav side did not respond. The Yugoslav authorities lodged a protest with the United Nations representatives in the field.

The Government of the Federal Republic of Yugoslavia again warns the Security Council of the grave consequences that may arise from the repeated criminal acts of Croatia against the territorial integrity of the Federal Republic of Yugoslavia and expects the Security Council to undertake urgent and adequate measures in order to prevent Croatia from further military actions against the Federal Republic of Yugoslavia.

I should be grateful if you would have the present letter circulated as a document of the Security Council.
